**POSITIVE PROFIT ALERT**

This announcement is made by BYD Electronic (International) Company Limited (the “Company”, together with its subsidiaries, the “Group”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board of directors (the “Board”) of the Company wishes to inform the shareholders of the Company and potential investors that, based on a preliminary review of the Group’s current operating data and the management accounts for the six months ended 30 June 2017 (the “Reporting Period”), the Group is expected to record a substantial increase in profit for the Reporting Period as compared with the corresponding period of the previous year. During the first quarter, the Group continued to receive orders for high-end flagship models from domestic and global leading smartphone brands, which resulted in a significant increase in revenue for the metal parts business and further led to a substantial increase in the Group’s earnings for the first quarter. During the second quarter, the continuous growth in the shipment volume of high-end flagship models for our major customers and a growing number of model orders delivery resulted in a considerable year-on-year and quarter-on-quarter increase in revenue for the Group’s metal parts for the second quarter, together driving the rapid growth in the Group’s results for the first half of the year.

The Company is still in the process of preparing the interim results for the six months ended 30 June 2017. The information contained herein is only based on the Board’s preliminary review of the information currently available to the Group, which has not been audited, confirmed or reviewed by the auditors or audit committee of the Company. The actual results of the Group for the Reporting Period may differ from the information disclosed herein.

Shareholders of the Company and potential investors are advised to read carefully the interim results announcement for the Reporting Period of the Company which is expected to be issued on 28 August 2017.

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.**
